

## Review Puzzle

Digory and Polly are looking for the right pool to jump in so they can get home, but all the pools look alike, and they cannot tell which is the right one. Complete the word puzzle below and on the next page to reveal the number of the pool Digory and Polly should choose.

Which pool should they choose? \_\_\_\_\_

*Instructions:* Use each of the clues below to find a word that fits in the blanks. You are then asked how many of a certain letter are found in the answer. Write that number in the right-hand blank. Then do the long math problem. Your final solution is the number of the pool Digory and Polly should choose. One is done for you as an example.

1. Uncle Andrew says he is one.

  M  A  G  I  C  I  A  N  

  2   (How many A's?)

2. She touched the yellow ring and vanished.
